Early Arrival (Primary School)

Spring Term: \$1,075.00

Drop-in Rate: \$45.00/day

Primary School Early Arrival begins at 7:00 AM and includes recreational activities such as games, yoga, and stretching. Students will learn basic exercise techniques that will strengthen their levels of flexibility and equilibrium, help them be more active, and prepare for classes. At 8:00 AM, all students will join their classmates and day-time teachers for the day to begin.

Please note: any student dropped off prior to 8:00 AM will be charged the daily drop in rate of \$45.00 per-student. Early Arrival does not operate

on full-day camp days as noted in the calendar. In the event of a delay due to inclement weather, the school will be open for early arrival at 9:00 AM for students who are already registered for the Early Arrival program.

Extended Day Care (EDC)

Primary School Spring Term: \$1,500.00

Drop-in Rate: \$45.00/day

EDC includes structured ways for students to work on various skills while staying after school. They will begin with outside play time, snack time (snacks must be brought from home), and guided activities with staff. Additionally, for students in Grades 1-5, the Homework Center will provide a quiet place to complete homework. Under the guidance of WIS faculty, homework and language support is provided from 4:00-5:00 PM, Monday-Thursday. Following homework time, students may head home, or remain on-site to participate in additional games, activities, and outside time. Preschool, Pre-Kindergarten, and Kindergarten students will meet in their respective classrooms with their EDC teacher, who will then lead reading, games, and other class activities. Care is provided until **6:00 PM** unless otherwise noted. **Late pick up fees are assessed for any student picked up after 6:00 PM.**

After School Classes

After school classes are optional add-on experiences for students at the Primary School. Classes are taught by a variety of trusted vendors, WIS faculty, parents, and other outside partners. WISEL classifies all after school classes according to the **IB Learner Profile characteristics: Balanced, Communicators, Inquirers, Risk Takers, and Thinkers**, so there is something for every learner. Some classes are offered term-to-term, while others are offered seasonally. A weekly overview calendar is provided on Page 4. Class descriptions, dates, times, and cost can be found starting on Page 5. All class fees include registration in the Extended Day program for that given class day, allowing students time to relax

with friends outside, join their class, and then stay on campus until 6:00 PM if needed.

Note: There is a trial week for all classes. **If you wish to drop a class, contact yannin.garcia@wis.edu by 10:00 AM on Monday, April 7 (Primary School) to withdraw without penalty.** Withdrawal requests received after that date may not be accepted.

Music Lessons

Private Music Lesson Pricing (per class):

30 minutes: \$55.00

45 minutes: \$82.50

60 minutes: \$110.00

Primary School and Middle School music lessons are offered for **piano, guitar, ukulele, cello and violin**. Students train with qualified instructors throughout the school year. **All students are invited to perform in an end-of-year recital, which will take place during their regular day with their teacher during the week of June 2-6.** In the fall, families are encouraged to sign up for a date and time slot that they can maintain for the duration of the year. Billing for music lessons is by term; however registration is **only completed once**, at the beginning of the year. Should your child wish to discontinue lessons or change a lesson day/time for the spring term, a withdrawal notification will be sent prior to the next billing period. Once a term has begun, students are unable to make changes to their registration. At the Primary School, instructional times between 3:00 PM and 4:00 PM are reserved for students in Pre-Kindergarten through Grade 2. Slots between 4:30 PM and 6:00 PM are open for students in Grades 3-5. Middle & Upper School lessons are offered between 4:00-6:00 PM.

Please note: *Primary School programs such as band and choir are not included in WISEL programs.* Please reach out to the Primary School leadership team for more information on band and choir.

Registration Procedures

Registration is completed on CampBrain, a student-programs management platform that allows families to register for multiple programs all in one place.

LOGGING IN

<https://wisafterschool.campbrainregistration.com>

Logging in with onCampus:

To log in with your WIS onCampus account — click Login Using onCampus. You will not need to create an additional account and your child's household information will be integrated over.

If you'd prefer not to log in with onCampus, you may use the alternate sign-in option (you will already have an account if you signed up for summer camp); or fill in the new user sign-up.

Having trouble signing in? Contact yannin.garcia@wis.edu for assistance.

REGISTERING FOR PROGRAMS

Once logged in, click Start Application and follow

the guided prompts. You will select the child you are registering for, and then add WISEL programs you'd like to register for, to your cart. You can then repeat this process for as many children as you are registering.

PAYMENTS AND BILLING

All billing and other financial transactions related to WISEL programs are done through CampBrain. Families will be able to select a payment plan option that works best for them, and link their accounts either to an ACH direct payment or a credit card.

After you complete your registration, a confirmation email will be sent to the email address on file. You may log in at any time after registering, to view your enrolled programs and classes. Should any classes or programs be canceled, you will receive email confirmation of that cancellation and withdrawal.

DROP-IN AND INCIDENTAL CHARGES

Drop-in and other incidental charges such as late pick up fees will be added to your CampBrain account on a weekly basis, and payments for these services will be charged to your preferred payment method on the 15th of the month. Families will be sent a reminder email prior to the charge date, which will include their WISEL invoice for review. All families must have either a credit card or ACH payment method set up in CampBrain.

REFUND REQUESTS

Families can request a no-penalty withdrawal from any WISEL service during the trial week. Each term or semester has a trial week, and the withdrawal deadline is listed in the calendar at the beginning of this guide. Refund requests made after the trial period concludes will not be honored as we have made registration commitments to partners, vendors, and instructors. Withdrawal requests for school-year camps can only be made up to the end of the trial week at the beginning of the term; camp registration is accepted on a rolling basis

and it is suggested to only register in advance for camps you know you will attend. Separate reminder emails are sent with school-year camps registration deadlines. **Refunds are not given when activities are canceled due to inclement weather, and are not provided in the case of a student absence from school.** Should WISEL need to cancel a class for any other reason, a credit will be provided for that class period only. In some cases, refunds may be granted after the cancellation and refund period for medical or emergency circumstances only. A written notice of cancellation with an explanation of medical or emergency circumstances must be provided for a refund request to be considered. Additional documentation may be requested by Washington International School. Partial refunds will be at the discretion of Washington International School after viewing the request.

We make every effort to provide accurate and complete registration information for incidentals such as drop-in Early Arrival, EDC, and bus services. Attendance is taken through a time-stamped Google Form. Please note that any student dropped off prior to 8:00 AM will incur the Early Arrival drop in fee of \$45. Any student still on campus after 4:00 PM will incur the EDC drop in fee of \$45. Any student still on campus after 6:00 PM will incur a late pick up fee based on the time of pick up. Incidental charges are added to your CampBrain account on a weekly basis, and are charged at the end of the month. Families should review these charges regularly. Reminders are sent prior to the end of the month for review.
